Unit 9 67 - 71 Vicars Street Mitchell ACT 2911

Description

Alloy Plate Boats

The cutting Edge 680 WalkAround has been designed as the perfect boat to explore Australia. Standard offshore and inshore design features, such as a massive casting platform for reef and barra fishing and also a full dual access transom for diving and deep water fishing. The massive class-leading cabin and storage facilities make this model one of the most unique all-round packages in the Australian market.
