Description

The Fusion Signature Series 3 range has been designed by musicians and engineered by boating enthusiasts with an unwavering vision of producing exceptional audio systems for those seeking a superior listening experience. The Signature Series offers unparalleled performance in the harshest marine conditions. By designing each product in the range from the ground up and with the full marine entertainment system in mind, we have developed a premium range of loudspeakers, subwoofers and amplifiers that are designed to work in perfect harmony. The result is the formation of a product range that delivers a truly high-quality, purpose-built immersive musical experience.
